Notes:

1. There are special haftarot on the 5 named Shabbatot before Pesach, and special maftirim on all of those except Shabbat Hagadol
2. On March 24, Vayikra is both Shabbat HaChodesh and Rosh Chodesh; it is a three-scroll event. The first 6 aliyot do all of Vayikra; the seventh is Numbers 28:9-15, from a second scroll; Maftir (from a third scroll) and Haftarah are as above.
3. On April 21, Shemini is Shabbat Machar Chodesh, with a special Haftarah.
