Re: YOM KIPPUR MEMORIAL BOOKLET

Dear Friends,

We are writing to you now about the Memorial Booklet, which is being prepared for use during the Yizkor Service on Yom Kippur. The purpose of the Memorial Booklet is to aid us in keeping the names of the departed ever before us as a symbol of reverent and undying love.

Because the Yizkor prayer specifically makes reference to a pledge to charity to perpetuate the memory and ideals of our beloved departed, the Beth El Board of Directors has ruled that any charitable offering shall be wholly voluntary in keeping with the sacred spirit of the occasion. Therefore, we do not have a schedule of mandatory fees to honor the memory of your loved ones, but each person may respond with a contribution in accord with his or her own inner prompting.

If you wish to have the name(s) of your beloved departed listed in this special booklet, **please complete the form below and mail it with your check to: Beth El Synagogue (Attn: Memorial Booklet) 1004 Watts Street, Durham, NC 27701.**

Checks should be made payable to Beth El Congregation with "Memorial Booklet" noted in the memo line.
